Humane Society of Goodhue County Schedules Rabies Clinic

RED WING, MINN—Is your cat or dog current on its rabies vaccination? If you live in Red Wing, does your animal have its required city license? Did you know that if your pet has a microchip and is lost, they can be found much more easily?

If your furry friend needs a vaccination, city license, or microchip, plan to head to the Humane Society of Goodhue County on Saturday, July 21. From 11 a.m. to 1 p.m. there will be a rabies clinic where you can have all three services done at one time. There is a charge for the services.

No pre-registration is necessary. Please bring any records of previous vaccinations with you.
